MILITARY YOUTH SERVED

2011-2020 Program Years

Project YES is a national internship program engaging college students in service to meet the needs of reserve component military families. Specifically, Project YES expands the resources of the Yellow Ribbon Reintegration Program (YRRP) and other youth & teen-oriented programs. Our staff interns are provided an opportunity to give back to their communities and country through a year of service. Project YES Interns are provided first-class youth development educational and facilitation skills. In turn, they facilitate youth programs at Reserve Component YRRP events throughout the nation.
